

Only the B.E.S.T. for Florida

Lexia® programs are research-proven, adaptive blended learning programs with teacher-driven instruction [aligned to the Florida Benchmarks for Excellent Student Thinking \(B.E.S.T.\) Standards](#) supporting all learners and individual growth. Spiraled content and vertical progression through the B.E.S.T. Standards are reflected in the real-time data designed to support Florida learners and educators. Lexia programs are the science of reading in action, delivering proven high-efficacy results—see how:

**AVERAGE
EFFECT SIZE +0.23**
